

Join the Tippecanoe Audubon Society !

Be part of a group that is dedicated to enjoying and preserving the integrity and beauty of our natural world. The Tippecanoe Audubon Society sponsors monthly field trips and at least two bird counts per year. In addition, there is the opportunity to visit and help maintain the several Audubon preserves such as this one. Look forward to our monthly program meetings. Birds are featured but

photography and lore comprising all aspects of nature are on our agenda. Our monthly newsletter ties it all together. To become a member **Do This:**
