

Main Trail: 0.55 mile one way  
 East Loop: similar length

A recommended hiking route is to take the main trail (blue markers) to the end near the quartzite boulder. Continue back along the main trail (blue). When you get to the branch point for the east loop, follow the red markers along the east loop. This trail rejoins the main trail not far from the trail head.

**PLEASE OBSERVE THE FOLLOWING WHEN VISITING THE TAYLOR SANCTUARY:**

1. Hunting and trapping are not allowed.
2. Carry out any trash or litter that you bring in.
3. Do not pick or remove flowers, plants, or trees.
4. Do not cut into or deface trees.
5. Report problems to the T.A.S. at 982-6754 or 982-2726.
